

**Final Inspection ☺**

After finally completing installation of the skirting with vents around the Kirby trailer home, it was ready for inspection. John Boy Delaney snaps a photo of Building Inspector, Mark Magnus, as he checks the rear of the trailer. We are planning on a dedication on May 12—a nice celebration for Krista on Mother's Day.

We appreciate all the advice and help from both Mark and Dan Martinsen of Shoshone Co Planning and Zoning to make sure we were following appropriate codes.

During SVFCH's March board meeting, the directors walked down the hall to deliver an appreciation certificate to the Mountain View Congregational Church's Council. Shown above seated from left to right are Matt Langer, Tim Arnhold, Pastor David Langer, Paul Roberts, Linda Langer, Janice DeVoe, Norma Seaton, and Norene Jones. Standing behind are SVFCH members: Ellie Arguimbau, John Hopper, John Boy Delaney and Verne Blalack. Judy Blalack, another board member, took the photo.

The church provides their facility for our board meetings, dinners, and our annual retreat. Our retreat will be the second weekend in April on Friday evening and Saturday, the 12<sup>th</sup> & 13<sup>th</sup>. They also are providing a breakfast for the Fuller Center Bicycle Adventurers during their stay to help with construction on a project in June.

**Spring Construction**

At the moment, with the completion of installation of the skirting around Krista's trailer, we have no definite projects. **We definitely need a 3 bedroom home in Kellogg for our next homeowner who works in Kellogg but has no transportation. Please consider donating a fixer-upper home or selling one at a discount we can afford. Your donation, including a discount, is tax deductible.**

**Now is the time to apply for our Greater Blessings Projects** where we work with low-income homeowners to repair their homes. We work with the Clint Kunze and the Servant Adventurers from Shoshone Mountain Retreat for **some** of these projects where we supply the financing and the youth do the labor. Go online to [www.svfch.org](http://www.svfch.org) to download applications or call Judy at 208-682-3240.

## Helping us help others.

Secretary Leona Anderson and Rev. Alec Rivera of the American Lutheran Church in Kellogg pose for Judy. Rev. Alec invited Judy to see the facility their church is offering for our use a day or two a week as an office in Kellogg. Rev. Alec wants to have his church very involved in our community by helping non-profit organizations like ours as well as providing a food bank and clothing distribution site. For more information please call 208-786-7791.

The American Lutheran Church is also providing one of the breakfasts for the Fuller Center Bicycle Adventures during their stay to work a day with a construction project.

## TWO CYCLING EVENTS IN JUNE!

We are hosting the **Fuller Center Bike Adventurers** on their trip from Seattle to DC (Washington to Washington).

They arrive the afternoon of Friday, June 14 and are staying in the Scout House in Kellogg again this year. Saturday they work on our projects. Sundays they would like to attend churches in the valley. Monday they leave. The Bicycle Adventurers trips, some long & some short, are the mainstay fundraisers for The Fuller Center For Housing International, providing financial support for their organization including grants to groups like ours and special builds in the US.

They are the goodwill ambassadors crossing our country raising awareness of inadequate housing and helping along the way.

We have lodging and all meals provided except for lunch on Saturday, June 15<sup>th</sup>. If you can help with the lunch or wish to invite some to your church, please call Judy 208-682-3240.

If you would like to join them for part or all the way, go to [www.fullercenterbikeadventure.org/summer/seattle-to-dc](http://www.fullercenterbikeadventure.org/summer/seattle-to-dc)
